About

Hunger Busters Presents: *Meet The Chefs*

A benefit event featuring chefs from Food Network in support of DFW nonprofit organization, Hunger Busters.

Hunger Busters:

1 in 5 children in Texas is food insecure; nearly 1 in 4 children in Dallas County is food insecure. We are not a food bank, and we do not serve soon-to-be expired or damaged food. We only serve meals made with fresh, natural ingredients - meals we'd eat ourselves. There is a need, and with your help, we are working to solve it.

About Hunger Busters

FEEDING KIDS, FUELING FUTURES

The Facts

- Dallas / Fort Worth is home to 23 Fortune 500 companies, yet the majority of children in DISD are food insecure.
- Dallas County ranks sixth in the U.S. for the highest number of people living in food-insecure households
- No child in Dallas should go hungry. However, 8 out of 10 Dallas students may not have access to a third meal.

Together, we can change this.
